

AGN. NO. \_\_\_\_\_

MOTION BY SUPERVISOR DON KNABE

May 15, 2012

There is pending legislation in the United States Senate which would designate Rancho Los Amigos National Rehabilitation Center as a federal Rehabilitation Innovation Center. This is significant because it could generate much needed additional revenue for research.

I, Therefore, move that the Board of Supervisors support federal legislation which would designate Rancho Los Amigos National Rehabilitation Center as a Rehabilitation Innovation Center, and instruct our County Chief Executive Officer to notify the County's Legislative Delegation of our support.
